Faculty and Administration

When I have fears as Keats had fears
Of the moment I'll cease to be
I console myself with vanished years
Remembered laughter, remembered tears,
The peace of the changing sea and remembered friends who are dead and gone.
How happy they are I cannot know
But happy am I who love them so.

— Noel Coward

PRESIDENT

Dr. Craven Edward Williams became the ninth president of Gardner-Webb College, July 30, 1976.

He began his first year as president by challanging the Gardner-Webb faculty and staff to perform at the very highest level of academic integrity.

"Our first responsibility is to be a college of the first order. There is no compensation for second-class education. Mediocrity cannot be acceptable in any part."

Dr. Williams has many plans for the future of Gardner-Webb. Starting with his own position, he has stressed the importance of a one to one relationship between administration, faculty, and students. His doors are always open to the students and people of Gardner-Webb.

Administration

Dr. Thomas Jefferson McGraw has been with Gardner-Webb College for fourteen years. He has served in many positions of which his present position is that of executive vice-president and dean of the college.

He helped the college make the transition from a junior to a senior college. He was also instrumental in helping plan and organize the new library of 1974.

Dr. McGraw relates well to the students. His door is always open and they find him open, honest, and easy to talk to. He believes students at Gardner-Webb should be well-rounded individuals and that they should develop not only academically, but also physically, aesthetically, and spiritually.

The glory of friendship is not the outstretched hand, nor the kindly smile nor the joy of companionship; it is the spirited inspiration that comes to one when he discovers that someone else believes in him and is willing to trust him.

Seniors

Under the leadership of class officers Robert Pettyjohn — President, Coley Rimer — Vice President, Renee McManon — Secretary, and Fred Zwickelmaier — Treasurer, the senior class progressed through their last year at Gardner-Webb, culminating in graduation on May 15, 1977.

While at college one has the opportunity to share deep feelings and thoughts with many close friends. It is this unique beauty of friendship one finds at Gardner-Webb. Through the seniors will assuredly miss the special friendships they have acquired, they can be comforted in knowing they will always have the memories of the love and warmth of these relationships.

Juniors

The Gardner-Webb College Junior Class of 1977 became very involved in activities under the leadership of President, Mike England; Vice President, Rachael Albus; Secretary, Faith Hathcock; and Treasurer, Donna Gibson.

The junior class of this year, which was larger than in previous years, sponsored two events on campus, a disco dance at the Doghouse and the Bloodmobile visit during the spring semester. In fact, during the fall semester previous, the class won first prize for the largest number of blood donors from a class.

Besides these two activities, the juniors helped with the Special Olympics and designed and constructed an interesting Homecoming display.

As one continues through the junior year at Gardner-Webb, one begins to reflect more seriously on his or her past at Gardner-Webb and the future to come. Says Mike England, "It is in your junior year that you learn to appreciate Gardner-Webb and the lasting friendships you formulate here. Then time goes by too fast. You realize it will all be over soon."

Freshmen

The Freshmen class of 1976-1977 proved to be the largest Freshmen class ever at Gardner-Webb College, consisting of approximately four hundred students. During their first week of school, each freshman was made welcome to college throughout Orientation under the care of "Biggest Brother" Randy Kilby and "Biggest Sister" June Carroll, not to mention the individual "Big Brothers" and "Big Sisters".

In September, the class elected the following as their class officers: President — Rick Beaty; Vice President — Mark Masters; Secretary — Tammy Grindstaff; and Treasurer — Gray Little. The officers met with the class on a monthly basis in which plans and projects were made and/or carried out. After competing with the upperclassmen on Homecoming displays, the Freshmen class won first place with their display, "Sic 'em Dogs," represented by a Bulldog biting a Catawba Indian.

The Freshmen class showed the potential needed to keep the high Christian standards of Gardner-Webb College. With dedication and a lot of hard work, the Freshmen made it through the year to become the "mighty upperclassmen!"

It is not he that enters upon any career, or starts in any race, but he that runs well and perserveringly that gains the plaudits of others, or the approval of his own conscience.

Homecoming

Homecoming in Bulldog country is . . . A big weekend full of excitement especially for the girls chosen as members of the Homecoming court. Five girls found this a very important day in their college life. Yana Bane, Rachael Albus, Cindy Gilbert, and Betsy Russell represented their classmates to form the attendants court. Pam Wilson was crowned homecoming queen by Dr. Williams and Bill Baucom. This appeared to be one of their more pleasant duties and an unforgettable experience for Pam. The dorms and classes participated in the festivities by decorating the dorms and football field, showing everyone's great spirit and enthusiasm.

"Is everyone lined up and ready to go?" Dennis Stilley looks to see.

Football

Like the game itself, the 1976 Gardner-Webb football season was played in two halves. During the first half, the Bulldogs won four, lost one and climbed to 18th in the NAIA national poll. The second half was exactly opposite with the team winning one, losing four and ending the year totally frustrated.

Records were shattered. Fifty-three school standards were set; five others were tied. Even the records showed no consistency, bouncing from the heights of a 76-6 triumph at Lenoir-Rhyne to the depths of a 60-41 nightmare at Georgetown.

On the bright side, over 40 lettermen return in 1977 and again the football program is prepared for a super future.

Bulldog Basketball

"We're Number One!" became the cry as early as January when the Bulldogs claimed top spot in the NAIA weekly basketball ratings.

Ignoring the newspaper polls, the Bulldogs set their sights on the ultimate — NAIA National Tournament in Kansas City.

Tournaments were a way of life for G-W. The Dogs played in five before the season was half completed and won championships four times, in the Milligan Tip-Off Tournament, WBTV Carolina Classic, G-W Holiday Tournament and Presbyterian New Year's Classic. The season was also a milestone for coach Eddie Holbrook, who achieved his 300th coaching victory with a 101-152 win over USC-Spartanburg, and had his 10th season of winning more than 20 games during a 13 year career.

On the floor, the cheers were for the exciting play of "Sweet Lew" Young and All-American Dave Bormann, who shot his way past the career records of another G-W great, John Drew.

Inspired by the tradition of Bulldog Basketball, Gardner-Webb's Lady Bulldogs began establishing traditions of their own. In their second season of senior-college competition, the women's team posted a winning record, an improvement over last year's 7-7 campaign.

Leadership came from captain Sherwin Johnson, the only senior on the team, and co-captain Pam Helton. Most of the offensive punch came from Linda Cody and Greta Setzer, in the scoring statistics.

Enthusiasm was the key with seven freshmen on the roster and names like Setzer, Alice Beam and Susan Snipes generating excitement that will keep the Lady Bulldogs running for years to come.

Left to right — Denece Fitzgerald, Statistician; Delana Gray; Alica Beam; Coach Phyllis Littlefield; Greta Setzer; Rachael Albus; Helen Watkins, Manager. **Standing left to right** — Cathy Vance; Susan Snipes; Amy Beal; Susan Kendrick; Jan Neal; Anita Alexander; Linda Cody; Sherwin Johnson; and Pam Helton.

Coach Littlefield says during time out. **Middle left** — Lisa Beam is alert and ready to get that ball. **Upper right** — "Oops" Lisa Beam tries to catch the loose ball but misses. **Lower right** — Watch out, Sherwin Johnson is coming through! **Extreme right** — No way they get in Greta Setzer's way.

Golf

With three of the first five players returning from last year's team, Gardner-Webb went about defending its NAIA National Championship with optimism. The returning Wayne Myers and All-Americans, Zim Zimmerman and Jimmy Franklin, were joined by Danny Phillips, also a member of the 1976 team, plus newcomers Steve Sherman, Britt Sloan and Scott Hickey.

Once again, the Bulldog golfers were thrown against stiff competition as Gardner-Webb participated in the North Carolina Intercollegiate, the Red Fox Invitational, the Furman Invitational, and the Elon Invitational Tournaments.

Perhaps the most optimistic member was Coach Garland Allen, the 1976 National Coach of the Year. In preparing the Bulldogs' 1977 schedule, Dr. Allen included a return trip to the NAIA National Tourney.

Left to right — Steve Sherman, Scott Hickey, Jimmy Franklin, Wayne Myers, Danny Phillips, Britt Sloan, and Zim Zimmerman.

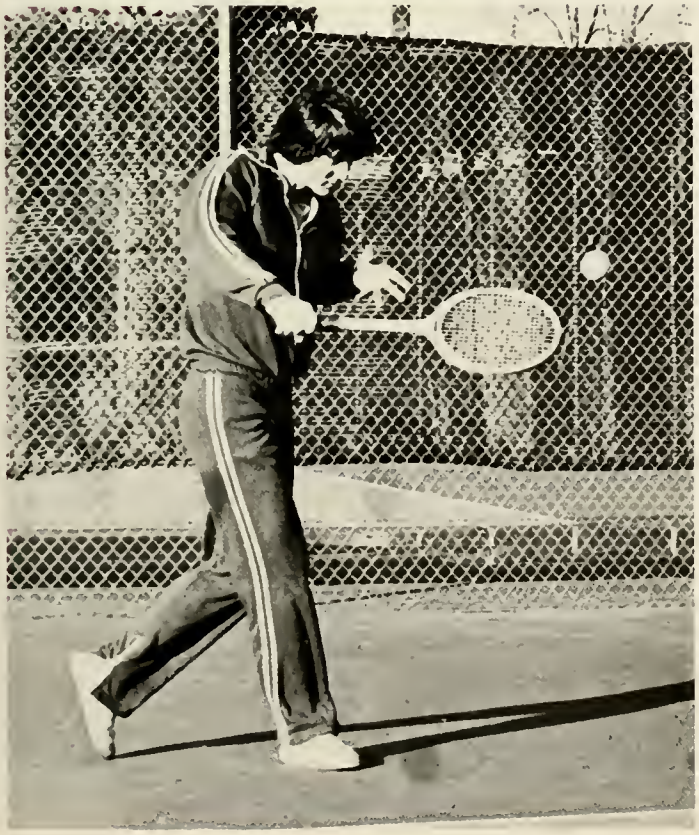
BULLDOGS

Tennis

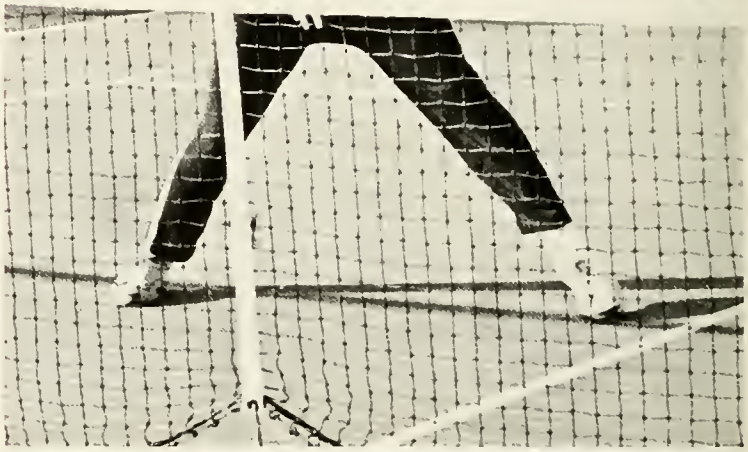
The 1977 tennis team faced a challenging season after enjoying its finest campaign a year ago when they won nine matches and posted a 6-2 record against NAIA District 26 competition. Sophomore Glenn Phillips, the only starter returning from the 1976 squad, carried the burden of leadership while Coach Jim Taylor sought replacements for the five who had graduated.

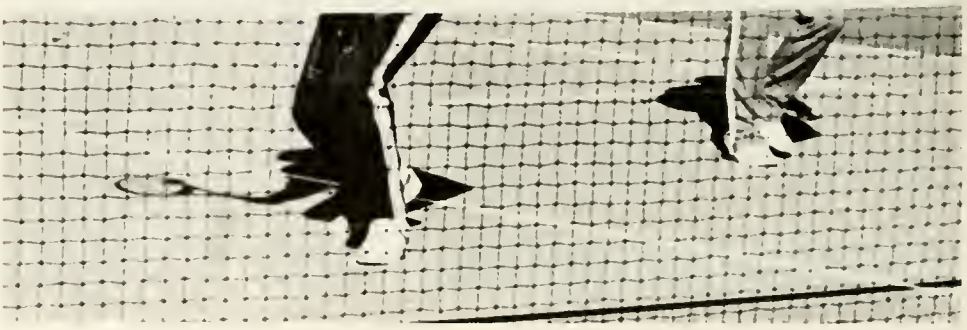
Expected to provide immediate help was freshman Randall Trogden, who moved into the No. 2 position behind Phillips after an excellent fall practice. Also scheduled for a lot of playing time were Larry Honeycutt, David Seagroves, Gary Richardson, and David Tubb, who was half of the No. 3 doubles team during 1976.

Kneeling left to right — John Massey, David Cooley, Ali Nasser, Randall Trogden, Larry Honeycutt, and Glenda Norris. **Standing left to right** — Coach Taylor, David Tubb, Glenn Phillips, Chris Ammons, Gary Richardson, Rick Kirby, and David Seagroves.



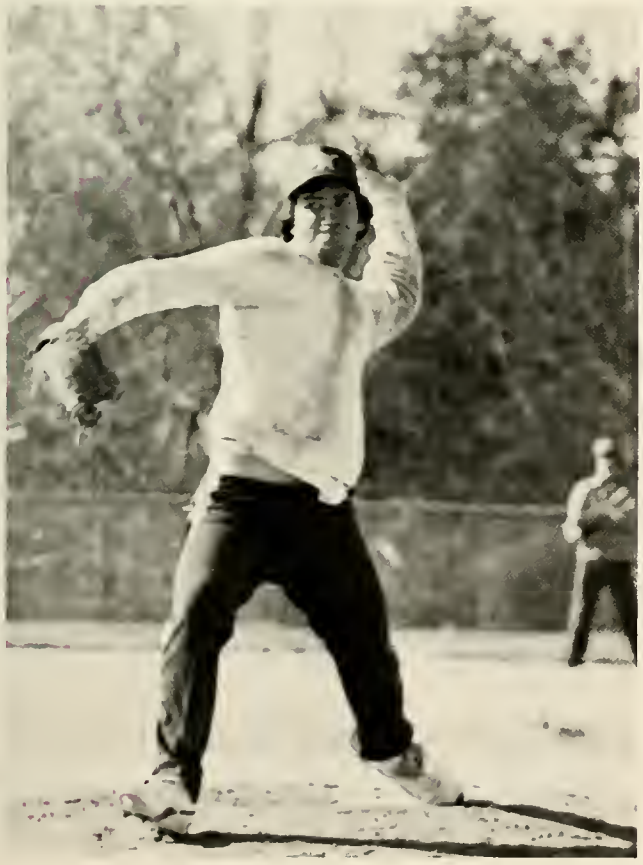
Tennis to Baseball



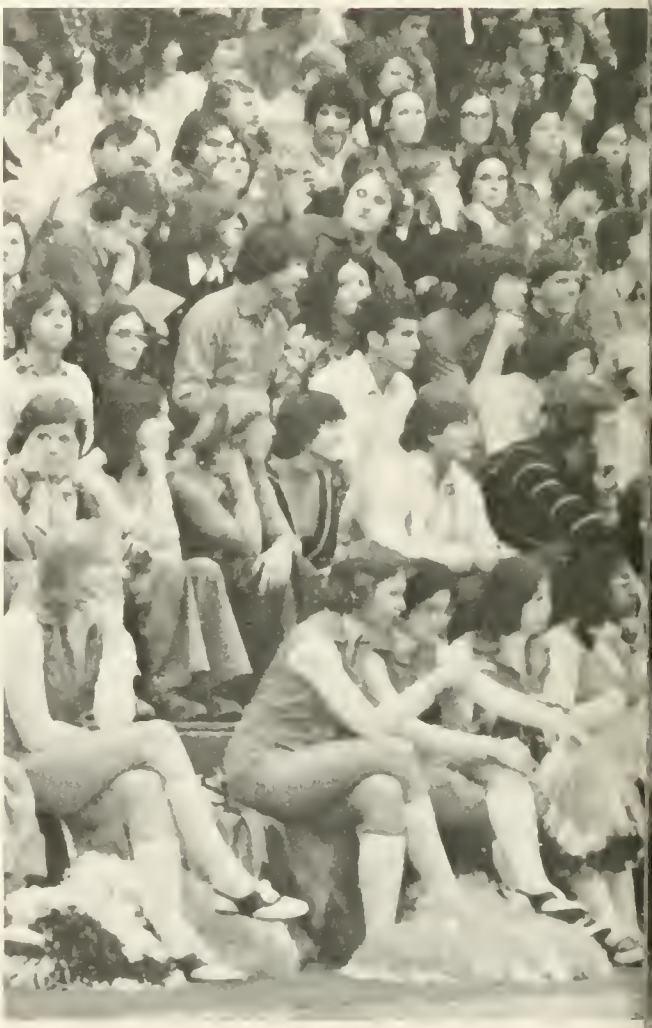


Greg Bess swings hard during spring practice. Pitching 3 straight strike-outs is important to Dennis Stilley.

Baseball



Coach Bryson works hard at getting the field ready for practice.
Paul Ciarfello enjoys leaning on the fence while he waits on that long fly.
Concentrating on the ball is necessary for Bill Salyers in batting practice.
"Hit me a good one," says Ted Monica.
Strength in the arm is essential for Mike Rainey as he throws that fast ball.



Organizations

Blessed is the man who has the gift of making friends; for it is one of life's best gifts. It involves many things, but above all, the power of going out of one's own self and seeing and appreciating whatever is noble and loving in another.

To every thing there is a season,
and a time to every purpose
under the heaven:
A time to be born, and a time
to die;
A time to plant, and a time to
pluck up ~~that~~ which is
planted;
A time to kill, and a time to
heal;
A time to break down, and a
time to build up;
A time to weep, and a time to
laugh;
A time to mourn, and a time
to dance;
A time to cast away stones,
and a time to gather stones
together;
A time to embrace, and a time
to refrain from embracing;
A time to get, and a time to
lose;
A time to keep, and a time to
cast away;
A time to rend, and a time to
sew;
A time to keep silence, and a
time to speak;
A time to love, and a time
to hate;
A time of war, and a time of
peace.

Ecclesiastes 3:19
King James Version

This yearbook is an attempt to show a few of the experiences and the many people involved with Gardner-Webb. The year began with a big change, an addition to Gardner-Webb. A new president, Dr. Craven Williams, was here just in time for the opening of school in August. Everything then progressed as normal. With second semester, came the cold weather. The extremely cold temperatures caused the energy crisis which led us to cut back our heat and temporarily go to a four day week. All during the year, many enjoyable movies and concerts were given for the student's entertainment.

Gardner-Webb is a community of many people and yet each student is an individual having different goals in life, different reasons for being here, and different experiences that have shaped their lives. Frederick S. Perfo expressed well the feelings of many of the students "I do my thing and you do your thing. I am not in this world to live up to your expectations. And you are not in this world to live up to mine. You are you and I am I. And if by chance we find each other: It's beautiful."

As editor of this Web, I would like to give my greatest appreciation to everyone for allowing me to give my memories to you; to the staff members who were faithful when time and material permitted; to Mr. Van Scott and Mrs. Mildred Poston, my advisors, for helping me in every way; and to my family and friends for always being there to help and understand me.

Although it has taken a lot of time and effort, I have enjoyed putting this book together. I just hope you enjoy it as much.
